Y Balance Test is a thoroughly researched, yet easy way to test a person's risk for injury as well as demonstrate functional symmetry.

Clay County staff Physical Therapists will be performing the tests. This is a personalized injury risk and peer performance measure according to age, gender, and sport/activity, so results are specific to the person being tested. Call **618-662-8060** for an appointment.

Compassionate care for the ones you love.
