

CLAY COUNTY
HOSPITAL
AND MEDICAL CLINICS

[Caring for your child's mind, body, and spirit.]

Our pediatric team is here to manage all aspects of your child's physical and mental health needs. From birth through puberty and into young adulthood, our team works together to ensure your child can live a **happy and healthy life**.

Having concerns about your child during these difficult times?
We understand. **Call 618-662-2131 for an appointment today**

Telehealth appointments are available.
